DjangoCon 2009

8 – 12 SEPTEMBER, 2009 | PORTLAND, OREGON, USA

Presented by SiuDesign

Introduction

After the success of DjangoCon '08 at the Googleplex in San Francisco, Siu Design presents DjangoCon '09 at the Doubletree Green Hotel in Portland, Oregon. We aim to push the framework, provoke thought and create a place where the community can gather together and express ideas. Through sponsorship of DjangoCon you will be showing your support for the community and helping us make the event affordable.

Here's what some of our attendees had to say about DjangoCon:

▶ "This weekend just gone was DjangoCon, quite possibly the best conference I've been to (and I've been to a lot). It is certainly the only one where I've attended a talk in every single session."
– James Tauber (http://jtauber.com/blog/2008/09/08/djangocon_pinax_and_cloud27/)
September 8, 2008.

▶ "I am looking forward to future DjangoCons no matter the location."
– Brian Rosner (http://oebfare.com/blog/2008/sep/09/djangocon-opening-door-future/)
September 9, 2008

▶ "DjangoCon is one of the most vibrant and friendly conferences around."
– Andrew Godwin (http://aeracode.org)
July 3, 2009

▶ "DjangoCon was a chance to talk to a small cross-section of the user base and find out what they're doing and thinking."
– Malcolm Tredinnick (http://www.pointy-stick.com/blog/2008/09/11/djangocon-and-related-happenings/)
